Re: San Jacinto River Waste Pits Superfund Site, Channelview, Texas
SSID No. 06ZQ; EPA ID No. TXN000606611

Dear Mr. Werner:

By letter dated August 24, 2010, Brenda Moore, Registered Agent for MegaSand, Inc., received a CERCLA 104(e) information request. Although MegaSand, Inc. was dissolved in 1994, set forth below is a response to the request.

Question 1:

Identify the person(s) that provides answers to the questions below on behalf of MegaSand, Inc. (MSI).

Answer: Brenda L. Moore

Question 2:

Has MSI ever participated in any planning for dredging activities in the area of the San Jacinto River, along its south bank, on the north side of the 1-10 Bridge in Harris County, Texas? (See Enclosure 5, aerial photo).

Answer: No.

Question 3:

Has MSI ever participated in any dredging activities in the area of the San Jacinto River, along its south bank, on the north side of the I-10 Bridge in Harris County, Texas?

Answer: No.

Question 5:

If your answer to the above questions #2 and #3 is no, please explain why a letter, dated November 20, 1998, for Houston International Terminal to Department of the Army, (see Exhibit 5) identifies that, "in late 1997 we entered into a working contract with Mega Sand (Dan & Brenda Moore) who agreed to the mitigation plan. In September 1997 dredging recommenced and work on the mitigation plan started."

Answer: The referenced letter misidentified the corporation MegaSand, Inc. that was dissolved in 1994. MegaSand, Inc. was a trucking company with one dump truck and was never involved in any dredging operations.

Question 6:

Please describe the corporate relationship between MegaSand, Inc., a dissolved Texas corporation and MSEI, an active Texas corporation.

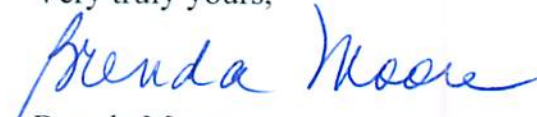

Answer: There is no corporate relationship between MSI and MegaSand Enterprises, Inc. MSI was dissolved as a Texas corporation in 1994. MegaSand Enterprises, Inc. was incorporated as a Texas corporation in 1997 and remains active. Brenda L. Moore served as sole director and officer of MSI and serves as a director and officer of MegaSand Enterprises, Inc.

Question 7:

Please identify the names of all dredging companies that you have reason to believe have, at any time, participated in the planning of, and/or participated in, dredging operations in the above-described area of the San Jacinto River.

Answer: None.

Very truly yours,

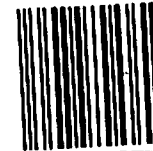

Brenda Moore
